The image shows a user interface for a fundraising platform. On the left is a 'Settings' sidebar with a close button (X) at the top. It is divided into two main sections: 'Sales' and 'Fundraiser Settings'. The 'Sales' section includes links for Virtual Schedule & Programming, Raffle Settings & Tickets, Auction Settings & Items, Tickets, Items for sale, Donation Options, Promo Codes, and Custom Checkout Fields. The 'Fundraiser Settings' section includes Fundraising Goal, Page Design, Event Info, Donation Info, Fees, Checkout Options, Share Preview, Social Sharing, Thank You Message, Connected Fundraisers, and Privacy. Below these is an 'Admin' section with links for Banking (marked with a red notification icon), Tax Receipting, and Organization Info. On the right is a live page editor for a 'Virtual Gala Event'. The page has a top navigation bar with a 'Live' status indicator, an 'Update' button, and a 'Saved' confirmation. Below the navigation bar is a 'DONATIONS' section with a settings gear icon. A blue arrow points to a '+' icon on a dashed line, indicating where to add new sections. The main content area features a section titled 'watch parties?' with a photo of people clinking glasses. Below this is a section titled 'Add a virtual Silent Auction!' with details about the auction opening on Saturday, September 12th at 10:00 am and closing on Sunday, September 13th at 4:30 pm. A small blue chat icon is visible in the bottom right corner.

"I am the most resistant person to adopt new technology you will ever meet in your life. . . but **I am 100% an advocate of using Trellis.**"

Shannon Christensen
CEO

"**Simple to use** for both the planner and the attendees. I easily managed our virtual silent auction, fund-a-need pledging, and live auction **all from the same platform.**"

Diane Whittington
Senior Events Manager

"Trellis made it so easy for us. This is the **most money our club has raised in a single event** in our 80+ year history."

Palma Barbieri
Rotarian
